Referral Method for the Universal Customer

The One Stop System should include centers that are physically located within areas where demand for services is greatest. The centers should be designed, and promoted to be accessible to the “universal customer.” The customer flow between programs must be seamless.

All information acquired in the centers should be mutually accessible to avoid duplication of services, to the extent permitted by regulations requiring confidentiality of participant records. All labor market information, job leads, programmatic and participant information, as reported on standard forms, should be accessible as allowable and appropriate.

Information Sharing and Performance Tracking

All partners will cooperate to develop methods for customer assessment, information sharing, evaluation, performance measurements and tracking, data entry, customer follow-up and customer satisfaction. The One Stop Operator and Center Receptionist shall jointly be responsible for providing meaningful monthly reports to be shared with the Management Team who will in turn share results with all Center staff so that all staff will be informed of Center customer service performance and any appropriate improvement strategies related to customer service.

The local workforce investment system will meet established state and local customer service performance standards.

Financing and Allocating Costs

Each partner organization to this MOU must adhere to the following:

- Fund and provide all core and intensive services that are applicable to each partner’s program.

DANVILLE

Local One-Stop Partnership Memorandum of Understanding Workforce Investment Act

- Fund and provide all supportive and follow-up services that are applicable to each partner's program; and
- Contribute a fair share of the rent of the facility proportionate to each partner's use of square footage, which include utilities (heating and cooling). This is a full service lease which includes utilities and janitorial services.
- **Attachments 1 – 4 on pages 12-16 are the Danville One Stop Cost Allocation Plans.**

VEC and DARS are responsible for their VITA expenses including a portion of the access charge, telephone line charges, long distance and internet charges.

All agencies who utilize the shared printer/fax/scanner shall be responsible for a proportionate amount of the contracted base cost of the printer/fax/scanner and each agency shall be responsible for its overage costs based on usage. The WPWIB may choose to invoice annually for those expenses.

The WPWIB covers the costs associated with the salaries of the Center Receptionist and Center Coordinator; however, the Center partners are encouraged to cost allocate the costs associated with the Center Receptionist. The WPWIB covers the expenses for excessive capacity for space, maintenance of the resource room internet and service of computers, and dumpster.

The copier in the resource room is a shared expense by the three lead agencies – DARS, VEC and WIA. DARS has agreed to complete a requisition to upfront the cost of the copier for the resource room. DARS will bill VEC and WIA an Interagency Transfer Invoice (IAT) on a quarterly basis for their share of the cost for the copier. Each agency has agreed to pay one third of the cost for the copier.

DARS, VEC, and WIA will be responsible for providing and replenishing office supplies for the resource room on a rotating schedule as identified in the schedule agreed upon by the management team. Office supplies include, paper, pens, and antibacterial wipes, and other items deemed essential by the Management Team.

Breach of MOU

In the event that a required partner and the WPWIB are unable to execute an MOU, it must be reported to the state WIA agency, and the state agency responsible for administering the partner program, who in turn must report such failure to the Secretary of Labor and to the head of any other federal agency with responsibility for oversight of a partner's program [WIA sec, 121c].

Any breach of the provisions of the local MOU by a partner program may be considered grounds for removal of that partner from the WPWIB.

DANVILLE

Local One-Stop Partnership Memorandum of Understanding Workforce Investment Act

Remedies will be specified by the WPWIB in the local MOU for partner program failure to comply with the local MOU provisions.

Miscellaneous Provisions

- **Mutual Respect of Organizational Practices**

All partners agree to respect each other's organizational practices and management structures in the provision of services under this agreement.

- **Indemnification and Liability**

By executing this MOU, each entity agrees to work together to deliver One Stop services for employers, employees and those seeking employment. However, the entities are not legally "partners" to the extent that term encompasses joint and several liability. Each legal entity under this MOU is responsible for its own employees, representatives, agents, and subcontractors.

- **Impasse Resolution**

In the event that an impasse should arise between the partners and/or the WPWIB regarding the terms and conditions, the performance, or administration of this MOU, the following procedure must be initiated:

1. The WPWIB and the partners must document their negotiations and efforts to resolve the issues,
2. The WPWIB Chairperson must meet with the LEO Consortium, partners and the WPWIB's Executive Director to resolve the issue if an agreement cannot be reached,
3. As state WIA administrative entity, the System Office of the VCCS will provide assistance in resolving the issue in accordance with applicable federal and state WIA laws, regulations, policies and procedures.

Modification Process

Any signatory partners may request, in writing, an amendment to the MOU.

If any provision of the MOU is held invalid, the remainder of the MOU will remain in force.

Duration of the MOU

DANVILLE

Local One-Stop Partnership Memorandum of Understanding Workforce Investment Act

This MOU is entered into this first day of July 2014 and will remain in effect until June 30, 2015, subject to annual renewal review by the Management Team and WPWIB staff in July of forthcoming years. This MOU will become effective as of the date of signing by the final signatory. The MOU may be terminated by any of the partners upon 30 days of written notice to the other partners with cause or upon 90 days of written notice to the other partners without cause.

Equal Opportunity and Nondiscrimination Obligations

The partners acknowledge familiarity with applicable federal and Commonwealth of Virginia laws, rules, regulations, policies, procedures, and reporting requirements and will abide by them. This includes, but is not limited to, discrimination policies, compliance with the Americans with Disabilities Act and maintenance of drug free workplaces. Reference is made, but not limited to, Sec. 181 – “Requirements and Restrictions” and Sec. 188 – “Nondiscrimination” of the Workforce Investment Act.

If the local One Stop Workforce Center is a state-owned or leased facility the partners must be responsible for, and will agree to indemnify and hold harmless, the Commonwealth of Virginia from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against the Commonwealth of Virginia as a result of a party’s failure to comply with the provisions of section above.

Expertise from the Commonwealth of Virginia Department for Aging and Rehabilitative Services (DARS) to include, but not limited to, the assignment of a Disability Navigator (DPN), resources permitting, and the Commonwealth of Virginia Department for the Blind and Vision Impaired (DBVI), will be utilized as technical resources to facilitate website, programmatic, and physical accessibility to system services.
