

Career Pathways Policy

Policy

1. Career Pathways is a combination of rigorous and high-quality education, training, and other services.
2. Career Pathways aligns with the skill needs of industries in the economy of the West Piedmont Workforce Development Board Area.
3. West Piedmont Workforce Development Board will meet a client where he or she is and assist him or her through a series of individualized career services and training to reach self-sufficiency and a living wage.
4. In West Piedmont, Career Pathways will be focused on in-demand occupations approved by the West Piedmont Workforce Development Board and published in the WIOA Local Integrated Plan.
5. Staff shall document the individualized career services and training planned on the Individual Employment Plan and in case notes.
6. WPWDB and CEO will approve any plan that exceeds the standard training cost within the West Piedmont Workforce Development Area.
