

Demonstrating a Need for Training

Policy

- 1. The West Piedmont Workforce Development Board defines “need for training” as follows:**
 - a. Has little or no work experience in the industry and occupation to be trained in; and,**
 - b. Is interested in and suitable for the industry and occupation to be trained in; and,**
 - c. Has not been trained in the proposed industry and occupation; or,**
 - d. Has not worked in the proposed industry and occupation for more than five (5) years.**

- 2. In order for the Workforce Innovation and Opportunity Act Title I funds to be used, the industry/occupation must be declared in-demand.**
